

March 2024

Dear Neighbour

With a new school year underway, I would like to thank you for your continued support and highlight a number of events that will be held at the College during the coming months.

A list of the major activities and significant events scheduled to take place at the College during Term 1 and Term 2 this year are listed overleaf.

Please be aware that some of these events occur outside of normal school hours and may impact areas surrounding the College.

As shared with you previously, building works are currently being undertaken on campus and we are committed to minimising the disruption to you. We thank you for your patience during this period.

To reduce street parking congestion, a new dedicated car park has been constructed on Ivy Street, while construction vehicles have been allocated parking on site. We hope this will reduce the number of cars parked in the local streets.

We also continue to remind our College community of their road use responsibilities and need for courtesy when travelling on nearby streets.

Community connectedness is vital to the health of our College, and we value our relationships with our neighbours.

Please feel free to contact the College via email should you have any questions or concerns – college@chac.qld.edu.au.

Yours sincerely

Mr Gary O'Brien

Principal
