UNIFORM REGULATIONS

Our College Uniform allows students to express their membership of the CHAC school community. It is a condition of enrolment that parents accept the College's uniform code and that they ensure their children wear the uniform correctly. Students attending Cannon Hill Anglican College are expected to maintain high standards in both manners and grooming. It is an expectation that the College Uniform be worn correctly at all times.

GENDER DIVERSE STUDENTS

All students have the right to dress in a manner consistent with their gender identity and expression. CHAC has an inclusive and flexible uniform policy that is not only beneficial for gender diverse students but may increase the comfort and safety of all students. Gender diverse students are therefore able to consult with the College about their uniform requirements based on their individual needs and circumstances.
